I want to do something pretty, but edgy, but sexy, but not skanky.
I don't know you, so I brought Becky and Stacy to make sure you're not a rapist.
Is this going on the internet?
Your studio doesn't look very nice.
Can I get my 500 proofs tomorrow?
Ew, I look fat.
Hello, I am Svetlana. I travel from Russia to shoot. Enough.
I have warmed my muscles for maximum contortion. We have fifty minutes before I exit ketosis and can no longer use my abs as cheese grater.
Don't forget to turn on fill light for left cheek and let's shoot and publish.

I was born in London and moved to the US about 15 years ago. I've had a very eclectic life. As a young teenager I was selected to dance on British TV and I was trained in ballet at the prestigious Royal Academy of Dance in London. I'm a licensed massage therapist and have been president of a bank, just to name some of my achievements, before devoting full time to my modelling career.

I began modelling about 6 years ago. I started by building my portfolio, social media presence and network. I realized to do my best work I had to work with the best photographers. I am grateful to have travelled and worked with many great creative talents.

I've also been featured in oil paintings and have had the honour of being painted by world renowned surrealist artists David Bowers and Jim Warren.

In the last year, I have increased my Instagram following by about 275,000 followers. I have thousands of visits to my web-site every month. Here fans see my latest publications, view behind the scenes videos and purchase magazines, pictures and cloths worn on shoots from my store. I have also been featured on the covers of over 40 different magazines including Playboy Playmate of the Year for Sweden.

Much Love,
Juliet Amelia

Sexiest Feature:
My passion to always be better.

I was born and raised in NC, I’ve lived in Oahu for a year and a half now and absolutely love it ... the mountains, beaches, and everything it has to offer. I just recently started modeling over the past few months and am really enjoying it.
